**hood regulators** (global ghetto anthems, korsett; luzern/switzerland) are a dj-combo with a comprehensive producer and promoter background. basically dedicated to the dancefloor, the constant renewal of their dj-crates lead them from different genres to everything contemporary in electronic music that includes a proper dose of bass. in comfortnoise podcast 027-0312 they present us what they currently discern as zeitgeisty and talk about their upcoming projects. you might foresee what this is about when you receive an impression of the guestlist of their own monthly clubnight called "global ghetto anthems": jackmaster, mosca, oneman, om unit, rustie and girl unit!
