

comfortnoise podcast 033-1012

- detroit influenced electronic music over 2h/40m/42s
- by **garçon** (traxx up!; basel) & **new.com** (comfortnoise, dubexmachina; zh)
- streamed on october 26th 2012 over www.livebeats.com
- download from www.comfortnoise.com (mp3/224kbs/250mb)

garçon (traxx up!; basel) is a young vinyl collector, dj, radio host and promoter from basel. in his dj sets and with his bookings for traxx up! he proves an extraordinary fine sense of current developments and of tradition in electronic music. seeing him selecting and performing his often strongly detroit influenced techno and house music, you immediately feel where the deepness is coming from. vinyl.
